Message from the Head Teacher

Dear Parents / Carers,

Last Wednesday, during the 'Drop in' session, a very important issue was discussed with regards to Bowling Road. We agreed that Bowling Road as it is now (narrow, with cars parked on one side) is far too dangerous. Therefore, we should think how the safety of the road may be improved. After all, we don't want to wait until an accident occurs.

The issue was subsequently brought up in a discussion at the governing body meeting (Teaching and Learning Committee). It was suggested that we should approach the County Council for advice.

However, most importantly we would like to seek your views in this matter. If you have ideas or suggestions how the safety of Bowling Road could be improved, please contact the school office or email me directly. Naturally, the more people we have supporting improvements, the more likely we will succeed in bringing about change.

With many thanks,

Ania Vaughan
Head Teacher

New Assessment Life Without Levels

We have arranged for a parent information meeting regarding the new assessment levels to take place on Thursday 5th February at 7.00pm. Everybody welcome.

Charanga

It is lovely to see how many people have been logging into Charanga at home and returned their surveys. We hope the children are enjoying it at home as much as they do at school.

If your child has not yet logged on at home and you would like to see what they have been learning in their music lessons at school please visit www.Charanga.com. Each child has been issued with a username and password which will enable them to see what the class teacher has shared online with them. If however your child is unsure of their login details or you would like to know more please speak to Mrs Matthews after school.

KS1 Building

We would like to thank the parents who are allowing their children to enter the building independently in the morning and saying goodbye at the silver double gates. This allows for a calmer and quicker start to the day.

Can we please remind Hargreaves parents to say goodbye to their child at the gate to the side of their building and allow them to walk down to the classroom independently.

Thank you.

Natural History Museum - KS1

Please may we remind you that payment and slips for KS1's trip to the Natural History Museum on Wednesday 4th March need to be returned to the school office by Wednesday 11th February. If however we do not receive enough contributions then we will not be able to go ahead with the trip as planned.
