Message from the Head Teacher

Dear Parents / Carers,

This term, we have been reviewing our current Behaviour Policy. Generally speaking we have been pleased with it; we have only tweaked a few inconsistencies. We have also simplified the main part of the policy, which will hopefully make it easier to follow. So far the children, staff and governors have discussed it and shared their comments. I believe the process would not be complete without your involvement. This is why you will find a draft of the policy attached to this newsletter, alongside with a range of appendices (Please note that these will be sent across 2 messages via ParentMail).

As usual, we are very interested in what you think. Therefore, if you have any comments please email them to me directly. The policy will also be discussed during the next 'Drop In Session' which takes place on 18th March at 9.00am.

Thank you for your continuous support,

Ania Vaughan - Head Teacher

PSA Update

Christ Church School PSA would like to thank you for helping us to host a popular disco night, the children seemed to have a great time and hopefully slept well Friday night after exhausting themselves having fun. This event raised £550, a brilliant total for our first event of the new year which will go towards the school's priority requests.

We have also receive a cheque for £61.60 from our last "Bag 2 School" day and if you could start saving your unwanted clothes as our next collection date is Thursday 23rd April, bags will be given out in a couple of weeks.

Thank you for your support.
