What is School Gateway?

School Gateway is a convenient payment service that has been introduced by the school. This means that you will be able to make online payments via the School Gateway smartphone app or website. You will also be able to view school meal balances and top them up at any time.

What you need to do now

Download the app: If you have a smartphone, please download School Gateway from your APP store (Android and iPhone). The app shows the same information as the website PLUS you can send app messages to the school for FREE.

OR

Visit the website: www.schoolgateway.com and click on 'New user'. You'll receive a text message with a pin number. Use this PIN to login to School Gateway.

If you're having trouble logging in, please call the school office or pop in and see us.

We hope that you will find School Gateway to be a fast and easy way to pay for school items.

School Gateway has been brilliant. Filling in permission slips can be done at your convenience and it is quick and easy to use.

School parent, Mrs. Keen

Thank you and Goodbye

Dear Children, teachers, LSAs and parents,

I have enjoyed my time at Christ Church so much and will miss you all. I have made many friends over the years. I would like to say sorry to the teachers and LSAs who I have made dress up in some sort of costume or dance at the end of term performance. I will miss you all very much.

Hope you have a lovely Christmas and a great New Year.

Lots of Love,
Mrs Henning
