## **Message from the Head Teacher**

Dear Parents/Carers,

I would like to draw your attention to the email sent out by school yesterday, with regards to the Internet Safety day on 9th February. It would be great if you could find time to read it and follow some of the suggested activities with your children.

The internet is a fantastic tool, used widely in many aspects of our lives. Therefore, it is great to see the current generation of children using it so proficiently and confidently. However, we just have to make sure that the children use the Internet safely and responsibly, this is why we now spend more time teaching the children about E-safety, not to frighten them but to make them aware of the potential dangers and also equip them with the tools to keep them safe.

Ania Vaughan  
Head Teacher

### **Netball & Football Update**

The netball team lost their match against Morgans last night 18:1. But they should be proud of their hard work. Despite the score-line, and the cold weather, they did not let their heads drop and continued enthusiastically to the end.

At times there was some excellent passing to get the ball from one end of the court to the other, but Morgans had some extremely tall players that made the match a greater challenge.

Man of the match went to Finn Bloomer, who worked tirelessly against their experienced shooters. Well done Finn!"

Similarly with Football, the team lost, 4-3, however played extremely well so a massive well done to them for staying motivated and positive until the end.

Well done all!
