Football Tournament

On the 17th March we went to a football tournament at Wodson Park, 20 schools participated and we got split into 4 groups with 5 schools in each one. Our first match we won 1-0. We dominated most of the game but only managed to score once. Our B team sadly lost 1-0 but still played well. The second match went better with the A team winning 3-1 and the B team drawing 1-1. Our last games didn't go so well and the A team drew 1-1 with Morgans and the B team drew again 1-1. The A team got through to the cup. In the semi final we won 3-1 and got through to the final. The final started well and we were winning 2-0 but we conceded 2 more goals and it went to penalties. We lost 4-3 on penalties. Written by Toby B, Horowitz

KNEX Challenge Report

On Friday 4th March 2016 the year 5's took part in the K'nex challenge. The class split themselves into teams of two. Each team was given elastic bands, a blue ping pong and an identical box of K'nex. Our goal was to make a catapult that could fire a ping pong ball from 30cm over a 22cm wall. Our catapult (Hawkeye) was the winner of this year's challenge. We both thoroughly enjoyed this activity and hope to do it again. Written by Nate C & Lucas D, Shakespeare Class
