Message from Head Teacher

Dear Parents/Carers,

I do hope you have had an enjoyable summer break. This year promises to be another exciting one for us, building on the successes of last year. We have an amazing staff team, who work incredibly hard to ensure that we give our children the best that we can.

Please remember that we are always here to help you if you have any concerns. As last year, I will hold 'Drop in' sessions every Wednesday between 9:00 and 10:00am. During these sessions, I can either see you in person or talk to you on the phone. Please call the school office to book an appointment.

You can also email me directly to share any concerns, suggestions or any thoughts you would like to share about our work. My address is head@christchurch.herts.sch.uk. I do try to respond to any emails within 48 hours, excluding weekends and holidays. Over the years I have learnt that positive emails help us celebrate what we do particularly well, while not so positive ones contribute towards necessary improvements, so please keep on writing them.

We all look forward to another great year and thank you as always for your ongoing support.

Ania Vaughan
Head Teacher

Christ Church Going Cashless

We are endeavouring to become a Cashless school, and therefore, our preferred payment method for dinner money, trips, music lessons, etc, is via School Gateway. If you need any assistance getting onto School Gateway, or with making payments, please ask at the School Office and we will be delighted to assist.

We are willing to give guidance on how to use the School Gateway—if you are interested please let the office know.
