

# Christ Church Contact

## Message from Modern Foreign Languages Coordinator

We are delighted to inform you that Christ Church School has been successful in achieving the Intermediate level of the British Council International School Award.

The British Council states that a school applying for the Intermediate Certificate will be developing international work and in doing so will have:

Started its international journey and established links with partners overseas.

Worked on collaborative projects with partners overseas.

Shared educational practice with partners overseas and be implementing changes across the school.

Grown awareness of global issues amongst students.

Have evidence of at least three curriculum-based international activities; at least one of them must be done in collaboration with partner(s) overseas.

We are also looking to apply for the silver Primary Languages Quality Mark shortly to further recognise our progress within and commitment to providing a fun and challenging Modern Foreign Language curriculum.

## Dates for w/c 6th February

## Ware a Hat Day!

We are pleased to inform you that Christ Church School will be supporting the local charity the "Amy Wallace Magpie Trust", once again this year we will be holding our annual "Ware a Hat Day!" on Friday 10th February 2017 when children are invited to wear a hat and make a donation to this worthwhile charity.
