Message of the Week

Dear Parents/Carers,

More and more we are dealing with children and parents that are experiencing mental health problems. I think we can make a difference and hopefully prevent problems from escalating and requiring therapy.

I will be hosting a parent workshop on mental well-being for parents across the Ware and Hertfordshire consortium.

In order for us to better understand what issues parents would like advice on would you please take part in a very short survey by clicking on the link below, please submit your form by no later than Monday 28th January :
