## Message of the Week

Dear Parents/Carers,

The children in Lewis Class have enjoyed taking part in the 100 Word Challenge this half term. Each week a prompt is given, which can be a picture or a series of individual words and the children can use up to 100 words to create a story. The stories are posted on the 100WC website. Hundreds of schools from all over the world take part each week and the reviewers' favourite stories appear in an online showcase. Excitingly, Poppy G, Alfie A and Rory S's stories were selected this week.

This project gives the children the opportunity to write for pleasure, while applying the writing skills they are continually developing in Literacy lessons.

The 100WC website can be accessed at 100wc.net where you can view some of the amazing work the children have put together, not only from our school but around the world. On page two of the newsletter you will find the work of the children who made it on to the website.

## Poem

### **This is the bear and the box**

By Jasper S, Potter Class

This is the bear who found a box,  
This is the boy who found a fox,  
This is the fox who jumped in the box,  
This is the box that's covered in frost,  
This is the bear walking in a square,  
This is the bear making a dare.

**'Aiming High in Faith, Love and Learning'**

**The evil hand with a face attached to nothing.**

*by Poppy G, Lewis Class*

Once there was a hand attached to nothing. It was evil and it was standing on a roof top and jumped down and...ATTACKED someone! It was a disaster and everyone gathered around him... but he was ok so everyone ATTACKED the hand! The hand was furious and jumped around saying, "Ouch! That hurt me!". The hand started to break the city. He destroyed the houses and demolished the shops. Every thing was broken and in pieces and they were all miserable so the people rebuilt the shops and houses. Then the hand ran back home and every one was happy.

**Gold Thief**

*by Alfie A, Lewis Class*

There was an eerie colour in the sky, people were running to the shelter and there stood the evil hand. "I have come to steal your gold," sighed the hand. The people sprinted to their homes and stayed there until the next day. The hand tiptoed on his fingers to the castle but a super hero saw him steal the gold. He fought him and won. Then he took the gold out of his hand and hid it in the laundry. And he went to save some other people from the evil hand.

The prompts for Rory's story were to use red, before, snake, clock and cycled.

Before the trees were waving in the wind, the leaves where rustling Josh cycled in the centre of the path. After that Josh put his brakes on because a tree fell down he slowly turned around. Josh was frightened he tripped over a rock and fell down a hole he saw this thing that shimmered and was like gas particles, he dipped his hand in there it was as red as a snake. He looked worried then he looked at a clock it was near dawn. Then he dipped his head in the portal it was amazing to see Spain.
