Message of the Week

Dear Parents/Carers,

As it was a Safer Internet Day on Thursday the children have been learning how to stay safe online and what to do when they feel upset or worried by something they see online.

This year the main emphasis was on the fact that a better internet starts with you, which means that adults and children have a responsibility for their online behaviour.

The children were reminded that behind every screen is a real person. Being kind and positive online is just as important as being kind and positive face to face.

The two leaflets on page two of the newsletter were created by Emma W and Bella S in Fine Class.

Since it is the last day before our half term holiday have a great break and see you all back on Monday 19th February 2018.
