Message of the Week

Dear Parents/Carers,

As a school we are very proud that our children love coming to school and enjoy their learning. Our attendance is continually high, on average 96%, which is great as every lesson counts. You will not be surprised to find out that there is plenty of evidence to suggest that children who attend school regularly, often achieve well.

Although our children's attendance is good, we are very concerned about a growing number of children who are regularly late for school. Please remember, the schools starts at 8.45am, the register closes at 8.55. Every child coming to school after 8.55 is marked as late.

You may not be aware that each class between 8.50 and 9.05 has scheduled activities, such as handwriting, spellings, phonics and times table. If your child is late even a few minutes, he or she will miss this important daily practice, which may potentially have a negative impact on their whole learning. So please make sure that your child always comes to school on time. Many thanks to the many who already do it every single day.

Netball Update

Congratulations to our netball team who won their game this week against St Mary's 16-9, putting them through to the next round of the Evans Trophy.

Well done to Bella S, who got player of the match and well done to the rest of the team for working so hard!

Golden Stars

If your child receives a golden star, please note that they are allowed to wear the star for one week and then it must be handed back in to the class teacher or school office.

Our stocks of golden stars are running low so if you do have any at home, please can you hand them in as soon as possible.
