Message of the Week

Dear Parents/Carers,

On Tuesday we celebrated Safer Internet Day. The theme this year is 'Together for a better internet' with a focus on using technology responsibly, respectfully, critically and creatively. The children have had safer internet assemblies led by Mrs Vaughan and taken part in a range of lessons and activities in their classrooms.

Attached to the newsletter is a fact sheet of some of the things that you can do at home to support your children when using technology and staying safe online. You can also find further information and support materials on the school website or alternatively the via the safer internet link; <https://www.saferinternet.org.uk/safer-internet-day/safer-internet-day-2019/education-packs/activities-parents-and-carers>.

The support materials can be used at home to follow up on the learning that has taken place in school this week. There are a range of resources for different age groups for you to choose from.

Pot Man by Isla S

Pot Man lives in the family box,
With his pot lady love and his children six.

One day he went to a garden and became a
flower pot.

Unfortunately he gets painted by a child in sparkly
black paint. He feels like his eyes are watering.

However, as he sits on the side as the child waits
for the paint to dry. He escapes and is free to go to
the lake to wash off all the paint.

Finally, a fluffy bird plucks him and takes him back
to the family box.

I'm Pot Man,

I'm Pot Man,

I'm Pot Man that's me

And I'm staying right here in the family box.

Work from Murphy Class this week

Can Man by Leo L

Can Man lives in the family cupboard
with the can lady love and his can children seven-
teen.

One day he wakes early and goes to find some food.

Unfortunately, the food gets put into him and he
does not like being used because he likes being
mucky outside.

However, some chickens like the food and so they
eat it.

Finally, after he helps the chickens lay the eggs, he is
able to go back to the family cupboard.

I'm Can Man,

I'm Can Man

I'm Can Man that's me

And I'm staying right here in the family cupboard!

Hair Man by Martha C

Hair Man lives in the family hair,
With his hair lady love and his hair children two.

One day, he wakes early and goes for a cut. The
hair cutter makes him black and curly.

Unfortunately, as he lies on the wig, he feels a
wobble and he gets snipped off the wig.

Finally, the hair cutter picks him up and drops him
in his bag and takes him back home to the family
hair.

I'm Hair Man,

I'm Hair Man,

I'm Hair Man that's me

And I'm staying right here in the family hair.
