Message of the Week

Dear Parents/Carers,

After a very cold start to the year, we have managed to make it to our first half term of 2019 without a snow day. We can now look forward to Spring and hopefully some brighter weather.

I would like to thank all of our teachers this week for working so hard to ensure that our parent / teacher consultations went smoothly. If you did not manage to get an appointment please speak to your class teacher next term who would be more than happy to arrange one for you.

Wishing you all a lovely half term.

Ania Vaughan

Shoe Making

Year 5 & 6 have been making their own shoes this term as part of their topic.

Many thanks to our parent helpers who have given up their time and ensured that each child has made a pair of shoes! We could not have done it without them!

Prayers from Murphy Class Assembly

Dear God,

Thank you for the learning, because we learn more and become more clever.

Dear God,

Thank you for the wonderful teachers in our school. Thank them for teaching us all that we shared with you this assembly.

Thank you for the builders who built our school.

Amen

Cambridge Half Marathon Challenge

Miss Mitchell is running the Cambridge half-marathon on Sunday 3rd March to fund-raise for CICRA, who sponsor research into Crohn's and Colitis and support young people living with these conditions.

You are likely to know someone with one of them; flare-ups are painful, distressing and may lead to the need for hospitalisation and operations. This does affect people within our school community.

If you would like to get involved by a donation, you can pay £1 via the school gateway, or post your gift in an envelope marked CICRA in the red box outside the school office; please make cheques payable to CICRA.

If you would like to find out more, please follow the attached link <https://www.cicra.org/our-research/>

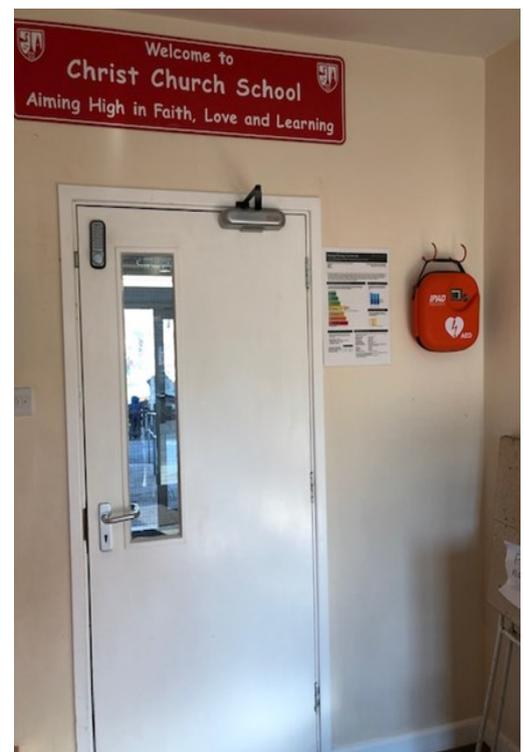

Thank you

Mrs Snelling, Rundell Class LSA

Defibrillator now up!

The defibrillator is now up and located in main reception.

Once again thank you for your kind donations that have made this possible.
