## Message from Head Teacher

Dear Parents/Carers,

On Monday evening, the school choir took part in the Music Festival at the Drill Hall in Ware,

It was an amazing experience for all the children involved, the music and singing were fantastic. I would like to say a huge thank you to all the choir members who worked so hard patiently sitting through hours of numerous rehearsals. Their effort certainly paid off on the night.

Ania Vaughan, Head Teacher

## Dates for w/c 27th March

**Tues 28th**—Year 3 / 4 Easter Production—2.00pm and 6.00pm

**Wed 29th**—PSA Easter Egg Hunt, after school on the field. £1 per child.

**Thurs 30th**—Tag Rugby Competition Year 5&6 at Hertford Rugby Club

**Fri 31st**—End of Term—2.00pm Finish

## Fizzy Drinks / Energy Drinks

We have noticed empty cans of fizzy drinks and energy drinks over the last couple of weeks left in the bins after lunch in the packed lunch hall. Both of which are not allowed in school. Please ensure that you do not pack these items, children should only have water / juice or squash.

## Golden Book

Congratulations to the children that have been entered into the Golden Book this week:

Mason D—Shakespeare	Archie F—Shakespeare
Amy A—Shakespeare	Max V—McGough
Lewis B—McGough	Ella R—Horowitz
Sophie R—Horowitz	Jasmine F—Horowitz
Emily S—Horowitz	Jake W—Horowitz
Yahvi Y—Horowitz	Faith C—Fine
Grace G—Potter	Daisy D—McKee
Ernie P—McKee	Laura S—Horowitz
Isabella A—Horowitz	Molly A—Horowitz
Hope F—Horowitz	Oscar W—Potter
Soham B—Lewis	Oscar S—Hargreaves
Zachary S—Shakespeare	Fatima H—Hargreaves
Alice A—Hargreaves	Billy HS—Horowitz
Emily T—Horowitz	Anna F—Butterworth
Charlotte L—Shakespeare	Kyler C—Potter
Alfie A Shakespeare	Grace W—Shakespeare

## Dino Man

On Thursday this week the Travelling Natural History Museum came to visit Hargreaves, Butterworth and Potter class for the day and it was a Roaring Success!

The children spent the day undertaking various workshops including digging for fossils, making their own pasta dinosaurs and creating different collages with craft materials.

The main excitement of the day, according to our children was touching dinosaur poo!

Look out for photos and a report on the blog soon.

Two pics on page two showing some of the fun had on the day! .....

## **Science Week**

Date: 24th March 2017

Edition: 24

# Christ Church Contact

The week beginning 13th March proved to be an exciting, fun packed and hands on adventure into the world of science!

We were very lucky and grateful for the support of parent and GSK Ambassador, Nicky Walker. She, along with one of her colleagues, Tim, provided a range of interactive, practical activities across the school. The "Big Body Assault Course" provided a range of work, related to the body, skeleton, the heart, lungs, respiration and impact of exercise.

On Thursday, Y5 ventured into GSK for a fun and explosive afternoon being shown how solids, liquids and gasses react within a safe, controlled environment.

We also appreciate the time that Winnie Wheeler has spent with the year 3 / 4 classes. They were introduced to simple alkaline and acids, learning how everyday foods contain different levels of hidden acids. They also got to make slime!

To round off, with the emphasis on DT, we also have Nick Burrige to thank, who, along with Winnie introduced the older children to construction and problem solving skills through the "Knex Challenge". They have also been introduced to the fascinating technology of 3D printing.

This is what the children thought:

Yr 1—We like the experiments and making loud noises and feeding the troll and carrots from the castle.

Y2—It was fun building the skeleton and playing the games.

Y3—We learned lots of new stuff and how to put the organs in the right place.

Y5— It was interesting to learn about helium and carbon dioxide. The show and experiments were brilliant.

Y6—The best bit was labelling the skeleton and putting the different parts together.

Wendy Gifkins, Science Lead

## **Library Volunteer Required**

We are currently looking for a volunteer to help manage and run our school library.

Our new library is due to open soon and we are looking for an enthusiastic person to come in for a few hours a couple of days a week to help maintain our library and to help organise and run various workshops / groups with the children around reading and literacy.

If you are interested, please speak to the School Office who can give you further details.
