## Message from Head Teacher

Dear Parents/Carers,

It is hard to believe how much we have managed to squeeze into such a short term. We have had an Esafety day, trips, class assemblies, Join My Learning sessions and visitors coming to our school. The choir participated in the Music Festival, sport teams represented the school in many different tournaments. For two weeks the children enjoyed a varied programme of science and engineering activities. I am sure that many children found them exciting and inspiring. Hopefully, their interest in science and engineering will continue to grow.

In the meantime, with a significant support from the PSA, the Library project has been taking shape. We are all looking forward to a formal opening of the school library on 24th April. I would like to thank the PSA for their relentless hard work and commitment to the school, without your financial support we would have never been able to refresh and update the library.

Finally, I would also like to thank a group of girls from Year 3 (Phoebe K, Bella S, Febe H & Chloe Ann B), who delighted us all last Tuesday with a fabulous gymnastic presentation. Well done to you all.

Ania Vaughan

## Dates for w/c 17th April

**Mon 17th**—Bank Holiday

**Tues 18th**—Inset Day

**Wed 19th**—Back to School Today!

## School Shoes

We have noticed several of the children recently wearing bright coloured trainers to school. Children are only allowed to wear black school shoes as part of their uniform. In the event that they have to wear softer shoes for an injury etc then you must provide a letter for the class teacher explaining why alternative shoes are required.

## **The Gospel Show—Year 3 /4** **Production**

Date: 31st March 2017

Edition: 25

## Christ Church Contact

The Year 3 & 4 production was like a show in a show as the main characters got people who were playing parts in the production to come up and be volunteers. It was like a modern day version of the Easter Story. The songs were funny but they all had serious meanings. All the soloists did very well. Thank you to all of the Teachers and LSA's who put lots of effort into it. The props and scenes were amazing and realistic.

### **Easter Activities in Church**

On Thursday the children went to Christ Church to learn more about the Easter Story. We began at the manger and ended up with the present day, travelling via the Last Supper, Palm Sunday, the Trial, The Tomb, etc.

The children got to experience water turning into wine, the smells inside a Tomb along with a hot cross bun in the sunshine.

A big thank you to Christ Church for organising such a wonderful experience for all our children.
