Christ Church Contact

Message of the Week

Dear Parents/Carers,

As you know we have been working with the NSPCC and the children in KS1 and KS2 had an assembly delivered to them on Monday.

We have decided to further support the Speak out, Stay safe programme by holding a fundraising event and coming home with your child this evening is a sponsor form.

The children will be taking part in a sponsored dance-a-thon! This will take place next week on Wednesday 24th October 2018. Every time the children hear a particular song throughout the day, they will stop whatever it is they are doing and dance for 2 minutes.

We hope you will agree this is a fun way for the children to help raise money and awareness of a fantastic charity and programme.

Please return the completed sponsor form and all monies collected to school by Wednesday 7th November.

Liz Byrne SENCo

Dates for W/C 22nd October

Mon 22nd—Thurs 25th Oct —Parent Teacher Consultations taking place all week and on the evening of **Thurs 25th**. If you have not yet booked your appointment please speak to your class teacher or alternatively the school office.

Wed 24th Oct —NSPCC Sponsored Dance-a-thon (spare sponsor forms available from the school office)

Fri 26th Oct—End of Half Term, normal 3.15pm finish time

Madison Y—Hughes	Austin S—Morpurgo
Josephine L—Cowell	Grace H—Walliams
Phoebe K—Rowling	Jack H—Walliams
Kian A—Walliams	Kyler C—Walliams
Zachary F—Kerr	Olivia A—Kerr
Lauren W—Kerr	Anna F—Dahl
Huey E—Dahl	Amber A—Morpurgo
Natalie McL—Morpurgo	Katie H—Rundell
Hexin C—Walliams	Bertie R—Rundell
Isabella M—Cowell	Woody H—Murphy
Regan W—Murphy	Taylor S—Murphy
Rebecca McG—Murphy	Leo L—Murphy
Alex McG—Murphy	Isla S—Murphy
Frankie R—Cowell	Ella C—Cowell
Tommy D—Morpurgo	Alfie S—Morpurgo
Elliott W—Morpurgo	Ollie R—Rosen

Ware Poppy Appeal

The Ware Poppy Appeal runs this year from October 27th to November 11th. As ever, the Poppy Appeal team is looking for volunteers to help sell poppies in Tesco and Asda to support this fantastic charity. If you can spare an hour or two during those two weeks, contact Lisa Carter on [07970 164201](tel:07970164201) or email lisa.carter@mimrammedia.com.

New Library Entrance

A big thank you to Mrs Garratt and Mrs Sampford for revamping the entrance to our library—we all love it!

Christ Church Vs St Marys

Football—It was a very even game until the penalties. The whole team's heads dropped I took the ball back to the half line. We said a few words of encouragement to each other and we played on.

After a bit of rest, I came on again. We were losing, but we never gave up. Eventually, after a few excellent passes, I managed to score our only goal.

We did not win but it was an amazing game. Better luck next time Christ Church.

Written by Jack FN, Rundell Class

Netball—A Team— We played at St Mary's and we lost 8-14. Player of the match was Tilly. We all played really well and had fun, even though this was our first loss of the season.

B Team—The ball slowly went in the air and suddenly ... GOAL! It was really intense everything was happening but I caught it. Yes we scored, we won! Everyone was brilliant

Harvest Festival

Thank you to everyone who made donations to the Harvest collection for the Ware Food Bank in Church last week. A total of 423kg was collected! I would also like to extend our thanks to the Church for hosting the service, co-coordinating the collection and transporting donations to the food bank on our behalf.

The Fire Dragon by Kian A. Walliams

The fire dragon is an almost extinct species of dragon closely related to the water dragon and the volcano dragon.

Amazingly, it lives in volcanoes and it loves hot climates it's scales can withstand temperatures up to 10,000 degrees!

The fire dragon is an omnivorous dragon it eats rats, mice, trees, grass, whales, fish, sharks, cats, dogs, rocks and even other dragons.

It's body is covered in red fire proof scales and colossal wings that can grow up to 6 to 7 feet long! It has enormous spikes that run down it's spine.

When anything walks or flies into their territory the leader of the group which is the oldest and strongest male called the Zhefa steps forward and if he starts to attack they all attack.

Female fire dragons have a gestation period of up to 6 months. When that 6 months is over that female can have a litter of up to 17 young!

Did you know that fire dragons can grow up to 17 feet tall!

Work Based on literacy work on non chronological reports!

New Friendship Stop

A massive thank you to our PSA, in particular Emily Lewis, Joanne King & Sarah Plunkett for giving up their time last Saturday to paint our new friendship stop. It looks amazing and the children love it!
