

Year 2 – Potter and Butterworth Homework

Dear Parents,

Welcome to year 2. We hope your child has settled in well and we are looking forward to an exciting year ahead.

In order to support your child's learning at school we set homework activities to be completed at home. We have thought carefully about these tasks and we hope that they are both manageable and fun.

Reading

Please read with your child **daily** and record this in your child's reading record.

We will also add **Bug club** books to their account. These may be a mixture of their book band colour, phonics phase and topic books. They do not have to read every book. They are in "My Stuff" just as you would have a shelf of books to choose from at the library. The child should read the book and answer the questions and then the book will move out of my stuff, into their own library, should these wish to access it again at a later date.

Spellings

Your child will be given a weekly, dated list of spellings. These will be tested every **Wednesday in Potter Class** and every **Friday in Butterworth Class**. The spellings are chosen in line with the national curriculum and will consist of a list of 6 - 8 spellings. In order to help them learn these, the children are expected to write some of these words into a short dictated sentence in the test.

The words will be stuck in at the front of their red spelling book. The book is only used for testing. Please do not practise in the book.

Big Maths Beat That Learn-Its

Big Maths Beat That is a weekly timed test of your child's Learn Its. The aim is to improve their score by one each time. Stickers are awarded to children who 'Beat That'. You can help your child to improve their scores by asking them to give you instant responses to their Learn Its while at home, on the journey to school and throughout the day at the weekend. Little and very often is the key to success, so the information enters the long term memory.

4+9=	7x5=	6+7=	8+9=	4+7=
3x5=	7+8=	8x5=	9x10=	6x10=
9x2=	5x5=	5+9=	5+8=	5+7=
6+9=	5x10=	2x2=	3+9=	4x5=
9x5=	8x2=	4x10=	2x5=	6+8=
2x10=	7x10=	7+9=	7x2=	8x10=
6x2=	4x2=	3x2=	5x2=	6x5=
5+4=	3x10=	3+8=	5+6=	4+8=

Your child will be tested every **Friday in Potter** and every **Thursday in Butterworth**.

Phonics

Your child will get a weekly A5 sheet telling you which sounds they are learning and which words within that phase of phonics. They may also get a pack of flashcards to practise.

Handwriting

If the teacher considers that your child would benefit from handwriting homework, they will be given a pack in which to practise the correct letter formations.

Topic based homework

On occasion, we will set topic based activities to complete at home. These tasks will usually be open-ended or creative tasks which the children enjoy sharing with the class.

Charanga

We will "share" the lessons taught in school. Your child may log in to the website and continue at home.

We hope you will encourage your child to complete the homework. It is important to help your child get into the routine of completing school work at home.

Many thanks for your support
Year 2 teaching team
